EXPERIENCE PRIZEOTEL WITH ALL YOUR SENSES

CHECK IN

Your design room is ready for you from 3 pm. Arriving earlier? No problem! Just leave your bags in our luggage room or book our Early-Check In for 10 EUR in order to move into your room at 12 pm.

MUSICLAMP

Our musicLamp will allow the right tone. The musical inspiration you will get after you made the connection to your smartphone.

PSSST

To ensure that you have a good night sleep, there is night's rest after 10 pm at prizeotel. Don't worry, we are still there for you 24 hours a day and we also check the floors and all areas at night. Additionally, the hotel, parking lot and public areas are all under video surveillance.

ALL YOU CAN EAT

Start your day right: with homemade Bircher muesli, fresh fruits, crispy bread rolls and coffee. For only 11 EUR you get as much breakfast as you like.

MOBILE CHECK-IN

Simply book your stay online via our website or app & check in with your phone, directly when you are arriving - without stopping at our front office. But of course we are still happy about a quick „Hello“!

HOME IS WHERE WLAN IS

With us you surf fast & free of charge - and even streaming is no problem thanks to high-speed WLAN!

LESS IS MORE

Instead of a minibar in your room, we have got an XXL bar in the lobby for you. Our team will provide you with drinks and emergency sweets 24 hours a day.

FLOOR HEATING

Don't you hate the feeling of leaving a warm shower and stepping onto a cold floor? Problem solved! At prizeotel Hamburg and Hannover, we ensure warm feet in the bathroom and you can set the desired temperature by yourself.

SURF. PRINT. DONE.

With our free high-speed internet you are online anywhere in the hotel. If you need to print anything – such as flight tickets or entrance tickets – feel free to use our Work & Surf Station in the lobby.

42" FLAT SCREEN SMART TV

Enjoy movies, TV shows, documentaries or news on your 42" flat smart TV

SLEEPING WITH FORMAT

High-comfort bed with comfy mattresses and a super slatted frame for the best night's sleep you've had in a long time.

XL-SHOWER HEAD

Our design shower got an XL shower head and lets you enjoy a rainforest feeling - Aloha!

PARKING

You can park your car on our 24 hours video monitored parking lot. The rule here is: first come, first served.

CHECK OUT

Your room is yours until 12 pm on the day of your departure. But don't stress yourself out, if you are staying in the city for longer, you can leave your bags in our luggage room or book our Late-Check Out for 10 EUR and stay in your room until 3 pm.

ABOUT US

prizeotel is probably Germany's most unconventional 2** Economy-Design Hotel Group and positions itself as an exclusive product in the design ambience. It not only surprises with a fresh breeze in terms of looks, but also in terms of service. Through the exclusive collaboration with the international star designer Karim Rashid from New York, every hotel becomes a so-called signature brand hotel. Starting from the design of the rooms and corridors up to the lobby lounge, the designer's signature is consistently reflected in the hotels.
